

**In the Claims:**

Applicants provisionally elect the embodiment of Fig. 6 for further prosecution.

**REMARKS**

Applicants provisionally elect the species of Fig. 6 for further prosecution.

Since claim 1 is generic no claims are currently canceled. Applicants respectfully request allowance of the generic claim 1 and issuance of a patent based on the above-identified U.S. Patent Application with claims for a reasonable number of species of invention.

The following claims current read on the embodiment of Fig. 6: claim 1, claim 3, claim 5 and claim 6.

Should the Examiner require or consider it advisable that the specification, claims and/or drawing be further amended or corrected in formal respects to put this case in condition for final allowance, then it is requested that such amendments or corrections be carried out by Examiner's Amendment and the case passed to issue. Any costs involved should be charged to the deposit account of the undersigned (No. 19-4675). Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing the case to allowance, he or she is invited to telephone the undersigned at 1-631-549 4700.
